

LET GOD'S FACE SHINE

PRAY TOGETHER

"If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land."

2 Chronicles 7:14

God, we want to see you.

- Who is in my prayer circle?
- Who can we pray for outside our circle?
- How do we hope they may see God working?
- What are the good things we see about God?

Thank God. Ask God.

God, we want you to see us.

- What makes us sad?
- How are we trying to hide from God?
- How have we hurt each other?
- How does God show his love anyway?

Cry to God. Confess to God.

God, we want to see you in each other.

- What keeps us from noticing others?
- Who taught us something today?
- How can we love like Jesus?
- Where can we bring peace?

Look. Listen. Trust God.

LET LIGHT SHINE OUT OF THE DARK
